

# HEARTS ON FIRE®

THE WORLD'S MOST PERFECTLY CUT DIAMOND®

## RING SIZE GUIDE

Get your ring size by printing this guide on US Letter paper size (8.5" x 11"), scaled to 100%.  
To make sure it's accurate, place a credit card on the line below and make sure it lines up.

## MEASURE WITH THE HEARTS ON FIRE RULER

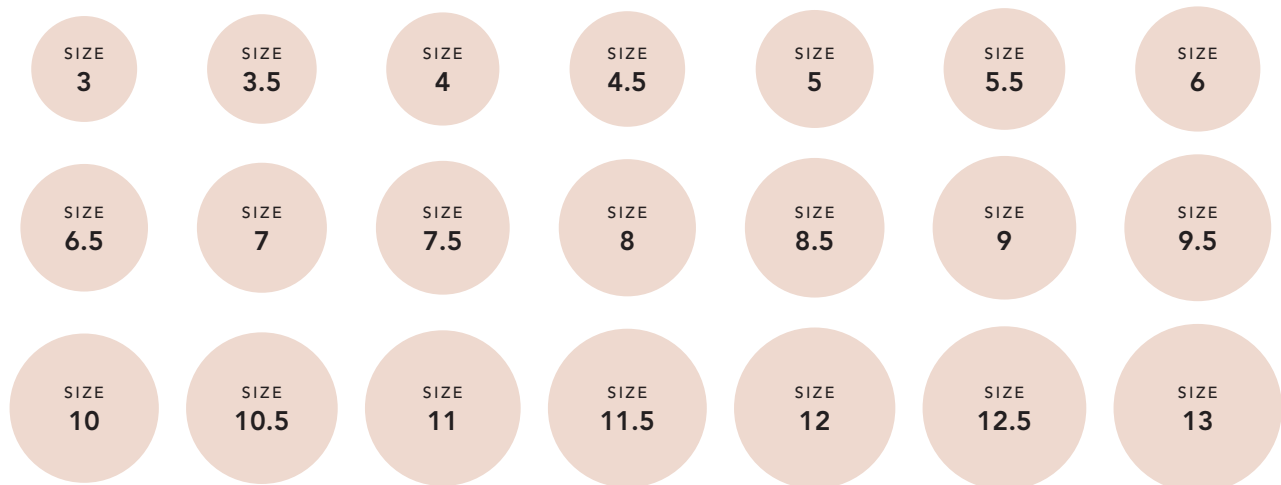

Cut out the ruler below and carefully cut the pink line to make a slit. Wrap the ruler around your finger at the base and pull the tapered end tightly through the slit. We also suggest measuring your knuckle to ensure the ring will fit comfortably. If you are between two sizes, go with the larger of the two.

*Ring size may vary slightly depending on the design.*

## OR MEASURE BY MATCHING YOUR RING

Find an existing ring that fits you well. Match the inside to one of the circles below—if you see almost no white space, you have determined the size of the ring. If you are between two sizes, go with the larger of the two.
